INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, it's spring, which means spring fever—which means I am feeling a little light-headed and a *lot* horny. Tell me, and be honest: am I extra feverish, or are these some of the cutest girls to ever be in BARELY LEGAL?

I mean, I thought it was impossible for Alyssa Branch to get any cuter—but now she has BUSH?! It's too awesome to be true. And Natalia's nips—they're too perfectly puffy. They have to be a hallucination!

My head is swimming with visions of Stella's sweet C cups, Tila's tiny toot-hole, and Leona's luscious pussy locks. My mind is spinning over Teen Queen Jonni's...*everything*.

Seriously, I think I'm delirious. Turn to page 87 of Catie Minx's layout. Do you see it, too? That *can't* be real. Can it?

You guys, I just don't know if I should believe my eyes. Please write and tell me if you believe yours!

xxx Lindsey

JANUARY 2013 PANTY CONTEST WINNERS!

D.J. from Washington, you've got a new lampshade on the way, courtesy of Holly, and Tommy from Texas, you might be experiencing another atom bomb very soon, thanks to Bambi. Congratulations, guys!

Dear Lindsey,
I really, really, really would love to have Holly's panties. The way she described her first anal experience, with Jeff, blew my mind! I am an older guy and have had the pleasure of being the first anal experience for at least six different young ladies! Every one of them said almost exactly the same things that Holly said! Jeff knows just exactly what to do to make a woman's first anal experience the best sex and orgasm she's ever had. When a man takes the time to make sure the lady is ready and wants it in her ass, it will be just as good as Holly said it was for her.

By the time I finished reading Holly's account of her first-time anal, I was harder than I have been for quite some time! To have Holly's panties to put on the shade of the lamp on my nightstand would be the best incentive I could possibly imagine to help me with the all-too-common problem that most older men have—getting hard and staying hard long enough to give his lady what she likes and needs. So thank you, Holly, for a high hard one! If I had Holly's panties to inspire me, I just might have a chance to be the man I used to be at least once more, before I can't do it anymore at all!

D.J.
Washington

Dear Bambi,
There were seven pics of you in your panties. I made it to the fifth one, and that's when I couldn't hold off any longer. I exploded. With you looking back over your right shoulder with that beautiful smile, pulling your butt cheeks apart ever so slightly, exposing your flawless poop hole and clean-shaven cooch, I felt like an atom bomb had gone off between my legs. And just to think about winning those panties that you were wearing on the bicycle and in the photo shoot is awesome. I would smell them, lick the part that went between your beautiful legs. I would wear them for a day and then carefully frame them along with the seven pics, especially number five!

Dear Lindsey,
Longtime fan of BARELY LEGAL here, but I have never felt any need to sit down and write a letter to you—until a jaw-dropping bombshell melted the world around me. The other day I snatched up a copy of the March 2012 issue. I could tell that it would be a stellar issue the way that it started, with Sensi Pearl's pliant and supple flesh being tastefully accentuated by those sexy rainbow thigh-highs. I was much dismayed to come to the end of her sultry pictorial. However, being the trouper that I am, I trudged beyond her and immediately came to a screeching halt on, of all places, the subscription page! Now, being an ardent fan of your magazine, I am quite accustomed to your impeccable talent in netting from the briny depths only the most immaculate and statuesque sirens (Dixie, Khloe Kush, Ally Ryan, and, of course, you, just to name a few), but what I saw on that page was beyond human reason.

My occasion for writing to you revolves around getting the answers to the following questions that flooded my stunned senses when I saw the page:

1. Who the FUCK is this ethereal Elysian empress?
2. Can you give me a specific list of ALL of your publications in which she is showcased in a full pictorial spread?

Lustfully yours,
Tammerlane
Florida

Tammerlane, that's Vynessa! Isn't she something? She's so hot, she was featured in Hustler and BARELY LEGAL in the same month—January 2012. You can order back issues by sending a check or money order for $12 (per issue) to: LFP Publishing Group, LLC, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211; Attention: Back Issues Dept. Just for you, here's a li'l peek at Vynessa's BL spread. ;)

—Lindsey

Dear Lindsey,
This is the first time I've written to a magazine. After looking through my January 2013 issue and comin' across this beautiful 18-year-old woman named Angie, I felt it was my duty to write. It is so refreshing to see a young lady in today's world letting her natural hair grow. Growing up in the '60s (yes, I'm old), it was common to see women displaying their natural body hair. Today everyone, it seems, is shaving, which I enjoy, too. However, it is very comforting to see the younger generation enjoying the natural beauty of body hair. I applaud Angie, and I hope she continues to let her beautiful body hair grow. In my eyes, she's a natural beauty.

Dave
Pasco County, Florida
Nudist Capital of the World

Dear Lindsey,
I love to lick and eat clean pussy. I put my whole heart into it. Why have a beautiful sculptured pussy if you can't see it for all the hair? Hairy Angie has more hair on her ass than I have on my face. Yuck! She would look so sweet if she would just shave.

Larry from Texas

Dear Lindsey,
I like Angie with all her bush. If I was her boyfriend I don't think I could stop loving her butthole. I'd just love to get my tongue into her pussy and also her butthole. I'd also like to get my nose in all that bush for a good smell.

C.V.
New York

Our super-hairy girl Angie got every kind of bush letter there is—no, yes, and either. I don't think there will ever be a final answer to the furry-coochie controversy—but it sure is fun hearing all sides! Thanks for writing, Dave, Larry, C.V., and all the rest of you guys out there. :)

—Lindsey

Dear Lindsey,
First off, just to let you know I'm a very happy customer of your magazines! I really love BARELY LEGAL. I haven't seen a bad issue yet, and I've had it over two years. Each month just gets better and better. All the girls are yummy.

I'm just writing this letter to see what more you have to offer. I'm really into anal and MILFs. I have *Backdoor Honeys*, and I just ordered the first four *MILF Mania* magazines. Do you have reading material? Like, you know, *Penthouse Letters*? Thanks for your time. Take care!

Zach
Nebraska

Zach, we have awesome reading material—it's called Hustler Fantasies. Every issue is filled with the dirtiest stories ever, including tons with anal. If you can't find Fantasies at your local newsstand, you can order it online at HustlerMagazine.com/shopmagazines or by calling 1-800-763-8271, ext. 7651. I hope you like it!

NATALIA ROBLES

eyes bigger than her butthole

Hola! It's Stacy the intern. Latin hottie Natalia has a big appetite—for *everything*.

Hey, Natalia! Did you like posing nude?
Yes, I felt glamorous!
What do you think is your best feature?
My eyes, because I can "smize," just like Tyra [Banks] says to do.
Are you trying to be America's Next Top Model?
Next Top NUDIE Model. ;)
What do you do for fun?
I work out, go dancing, and eat. I have to have the first two hobbies so I can have the third one!
Do you eat a *lot*?
I *love* food. I eat the best food in the world, cooked by my mother. She could open her own restaurant—except I don't want to share her!
What's your favorite food?
Arroz con pollo. It's a simple dish, but very easy to mess up. Mama's is always perfect.
Speaking of eating, do you like to give BJs?
I love to suck cock and eat pussy.
Which do you like better?
If I *have* to choose? Blowjobs are more satisfying—maybe because cocks are so big. They feel good in your mouth.
Do you swallow?
I'm not gonna turn down food! LOL! Kidding, I know it's not food—but yes, I do swallow. I love that warm creaminess going down my throat.
What's your favorite position?
From behind—so they can see my behind. It's juicy.
***Mmm-hmm*. It looks very spankable.**
I *love* when guys give my booty a swat. Sends tingles all through my body.
Is spanking the best way to turn you on?
That's a good way, but the best is probably biting my nipples. They're very sensitive.
Do you have a lot of sex?
I have *too much* sex. Like, I'll fuck so many times in one day, my pussy gets sore, and then I have to skip a day. That's the worst!
What's the longest you've gone without sex?
The longest was when I had to go a week without butt sex.
What happened?
I was with a guy who had the most gorgeous cock, HUGE, and I wanted it in my butt so bad—not even thinking, Maybe that's a little *too* big. Until it was too late.

MagDownload.org

So, did that scare you off of butt sex forever?
No way! I'm just more careful now. Size does matter!

What's in the future for you?
More modeling, more food, more sex. Just grabbing everything life has to offer! ★

PARKER

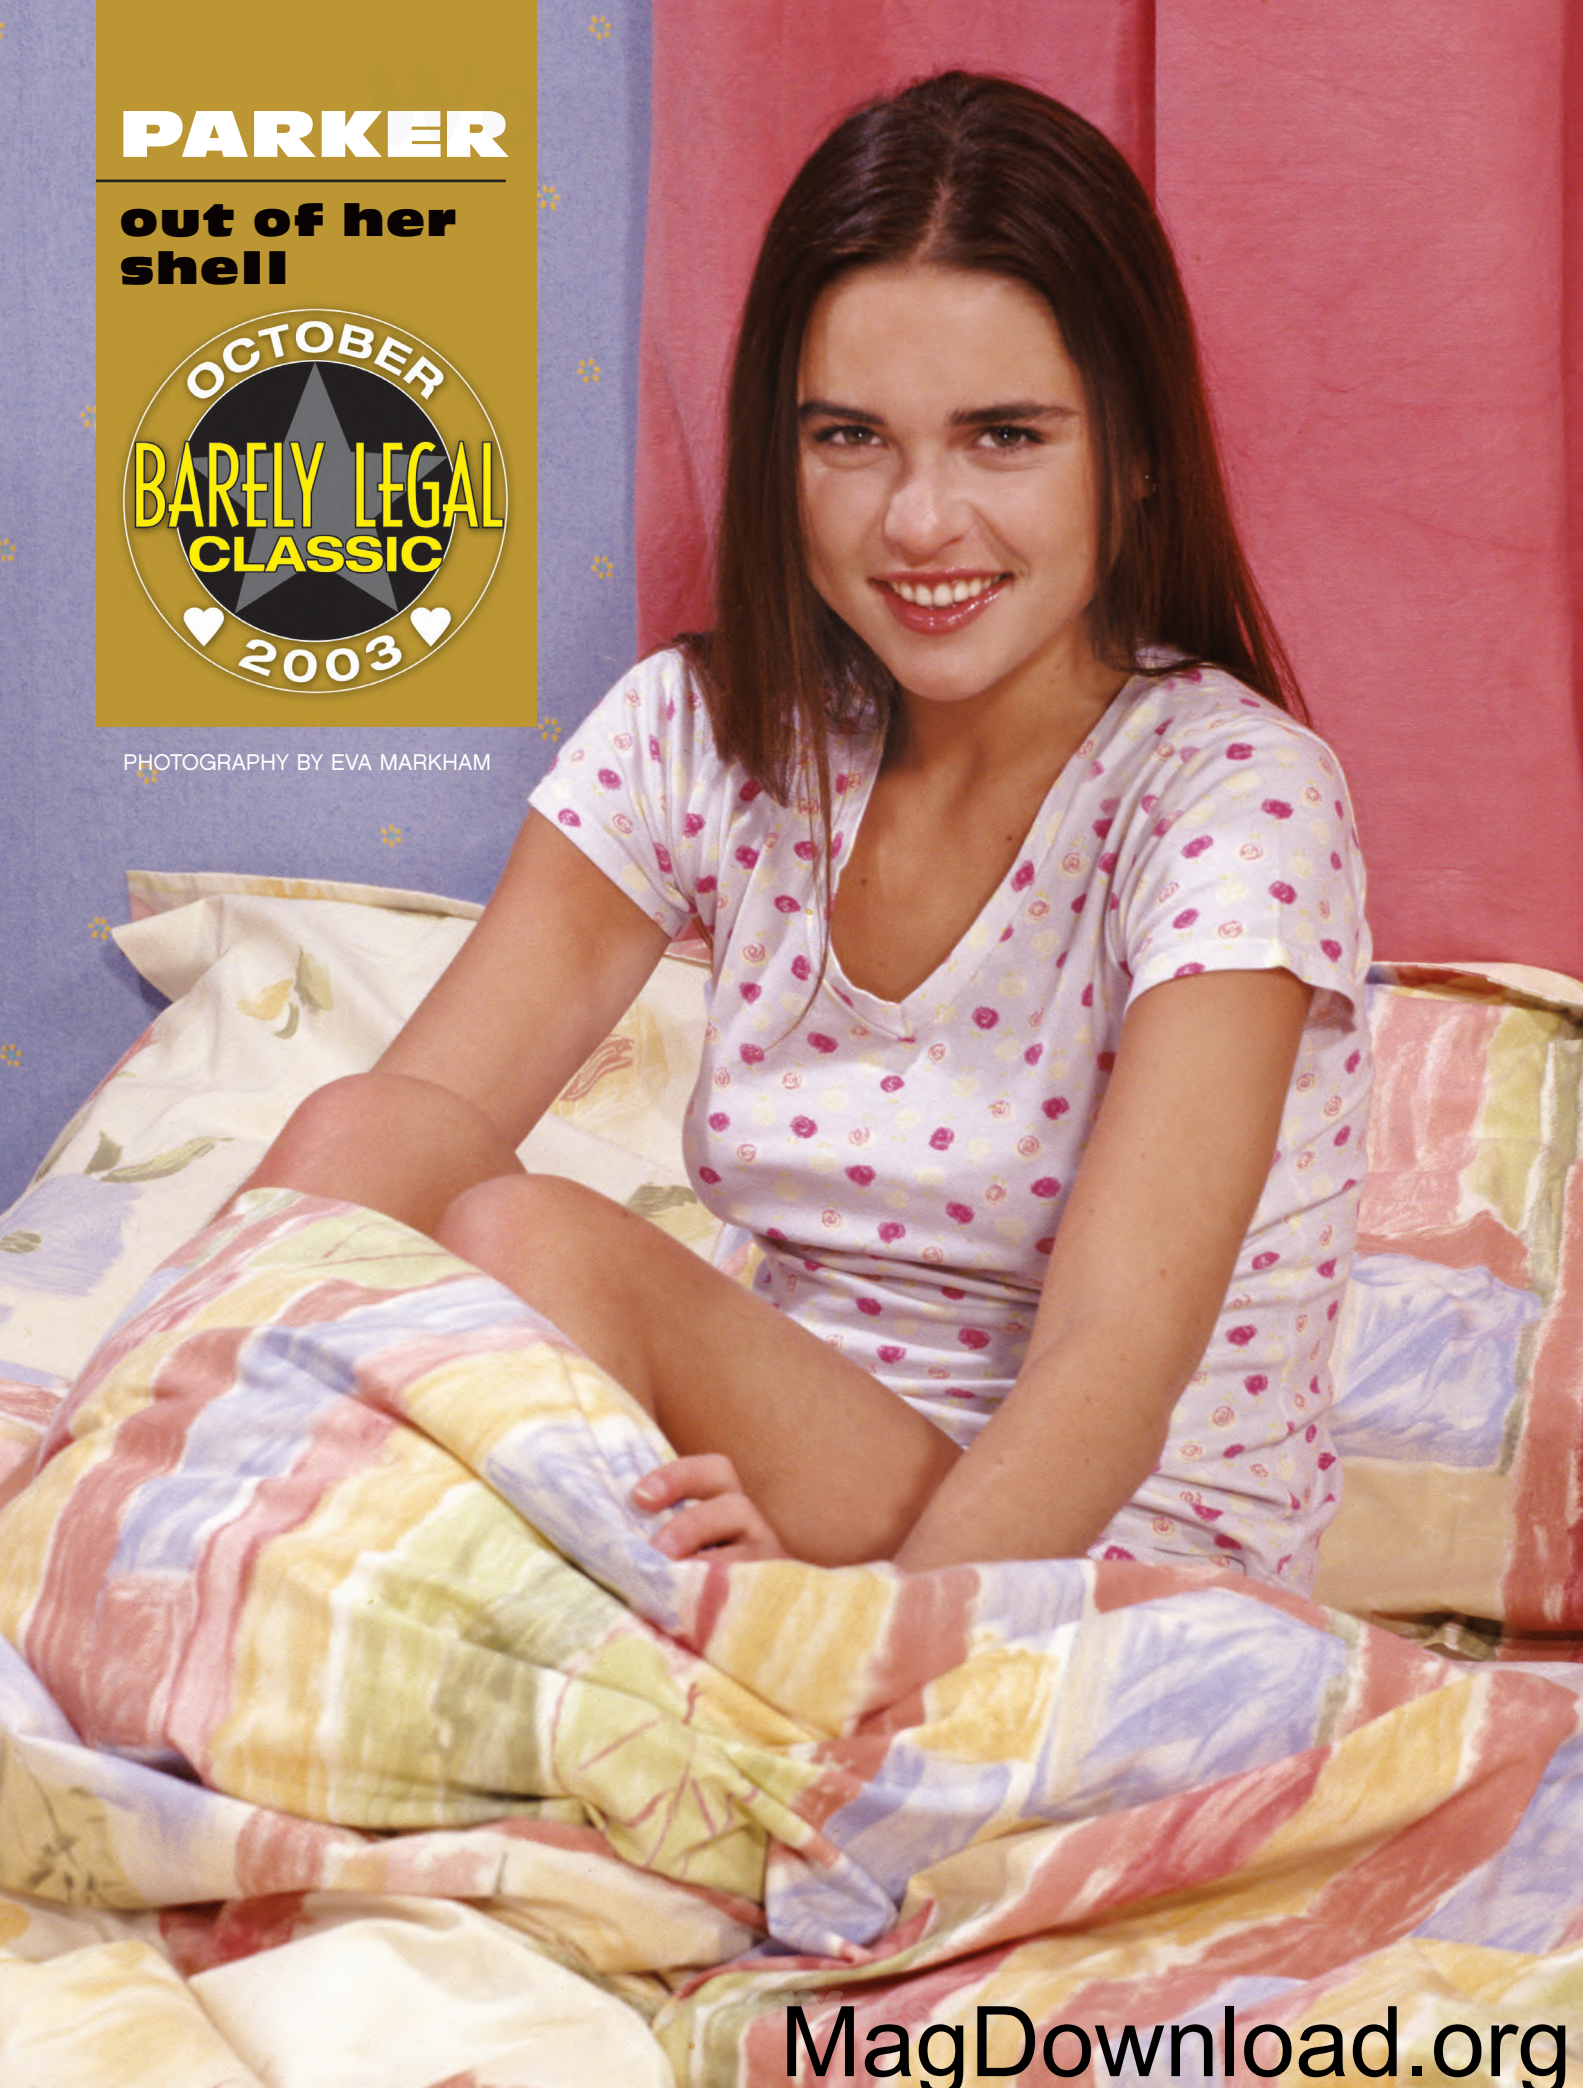
OCTOBER
BARELY LEGAL
CLASSIC
2003

PHOTOGRAPHY BY EVA MARKHAM



MagDownload.org

MagDownload.org

Parker never thought in a million, billion (okay, 18) years that she would be posing for BARELY LEGAL. The college freshman from Wilmington, North Carolina, is super-shy normally, but hopes that being in our magazine will help her feel better about this ginormous secret she's been carrying around. What might that be? Parker opens up to sympathetic Associate Editor Megan Quimby.

Megan: I hear you've never done this kind of thing before. How did you wind up becoming a model?
Parker: *Please!* I'm *so* not a real model. I still can't believe this photographer guy even asked me to pose. At first I was all, *No way!* I was seriously nervous about showing my body, but kind of flattered that he asked me. I know a girl who posed for you guys once—I won't say who!—and she swore that you would be nice.
Megan: Well, thanks. We think you did an awesome job. What on earth did you have to feel so nervous about?
Parker: I guess I can tell you. I've never been naked—below the waist, anyways—in front of anyone before. Last summer, my boyfriend and I were splitting up since we were going to different colleges. I wanted to do something special for our last night together. He always wanted me to put my mouth on his wiener, so I tried it. That was super-fun. We fooled around some more, and pretty soon I got the urge to do it with him. I so wanted to have sex, almost as badly as he did, but I freaked when he reached for my panties and almost discovered my ultra-embarrassing secret.
Megan: What could possibly be so embarrassing that it kept you from having sex?
Parker: My pubic hair! It's out of control. See? I'm afraid to even shave it because I heard that once you do, the hair grows back even thicker than before. Can you imagine? *Ugh!* I wasn't going to show anyone ever, but I don't want to be a virgin for the rest of my life. The only thing to do was to get my secret out in the open.
Megan: That's nothing to be embarrassed about. Really. Some guys love it.
Parker: Really? You're not just saying that?
Megan: Absosmurfly not. So what do you think your ex-boyfriend will say when he sees these pictures?
Parker: I hope he understands. At least now he gets to see me all-the-way naked.★

Hey, it's Lindsey. Model and porn starlet Tila is so wild, she makes me look like a virgin!

Hey, Tila! Did you like posing nude?
Yes! I love showing off every inch of my body.
What do you think is your best feature?
My eyes. I've been told they're very sensuous.
How would you describe your sexual personality?
I am the original wild child.
What's the wildest thing you've done?
What *haven't* I done? I have tremendous sexual energy, and I'm always looking for new ways to release it.
Have you had sex with girls?
That's not wild, that's natural. We girls should stick together—in every way.
Have you ever had a threesome with a girl and a guy?
Many times. I've also had threesomes with two guys. And foursomes with a girl and two guys. The more, the merrier!
What do you like about group sex?
I love having a lot of sensations going on at once. If I have a cock in my mouth and a cock in my pussy at the same time, I'm a happy girl. And I love all the extra cum!
Do you ever have sex with, you know, just *one* guy?
Of course! That's just a different experience, focusing on one person. I know exactly how to please a man, and I do it.
What's the best way to please a man?
There are so many ways, but I love the reaction I get from sucking cock. I can take it deep. I want to make him come hard.
Would you do *anything* to please a man?
I did a man with a strap-on once, at his request. It was different, but exciting.
Do you do anal?
I love love LOVE anal. If you want to please *me*, you'll fuck me in the ass.

What do you like the most about anal?

The dirtiness of it. I love to suck a man's cock after it's been in my ass. I'm practically coming thinking about it.

PHOTOGRAPHY BY SAGECHICKS.COM

Hello again! It's Stacy the intern. Southern belle Stella is a nice girl—looking for a naughty job.

Hey, Stella! Did you like posing nude?
Yes, I feel like a model.
Aren't you already a model?
Well, I'm just getting started. I moved here to L.A. so I could do it all the time. Plus I want to make movies.
***Porn* movies?**
Yes! I'm hoping these photos will get me noticed.

What made you decide to do porn?
I'm too restless to sit at a desk or stand at a counter all day. I need to be active at all times—and sex is my favorite activity!
Do you masturbate a lot?
Seldomly. I prefer the real thing.
Does the real thing ever involve girls?
No, I only like men. Sorry, Stacy!
That's okay. What kind of men do you like?
Smart and mature men.
What turns you on the most?
Eyes, hair, voice, biting, and chest.
What turns you off?
Feet, toes, and bad breath.

That's sad. What's your favorite sex position?
Missionary. It's the most romantic.
What's the best way for someone to make you come?
Eat me out.
Where do you like a guy to come?
On my stomach, 'cause it's easier to clean off.
Have you ever done anal?

JONNI HENNESSY

Hey, it's Lindsey. Beautiful, brainy Jonni is a double major in history and music *and* an aspiring porn star. That makes her a Teen Queen in my book!

About me: In general I'm a bit shy and reserved, but that goes away when I'm having sex on camera. I think I lose my mind a little when I fuck. I like that feeling.
Reason for posing: Modeling is part of being in the business. It isn't *quite* as exciting as fucking on camera, but it's still pretty hot.
Best physical feature: I like my breasts. They're bite-sized.
Romantic status: Single. At this point in my life, I just want to fool around.
Favorite hobbies: Reading and playing the piano. I also watch *way* too much History Channel. That's my personal porn.
Favorite book: *1776*, by David McCullough.
Favorite musician: Rachmaninoff.
Five items I can't live without: Pen, paper, piano, penis, and pretty panties.
Sexual personality: Curious and open-minded. I like to learn new things. Nothing is too weird.

Ideal guy: Thomas Jefferson. He was the sexiest president.
Favorite way to masturbate: With my fingers.
Favorite position: Me on top, spinning.
Best sex talent: Deep-throating.
Spit or swallow: I *love* to swallow. Not just during oral—during *all* sex. I'm a little bit addicted to cum.
Weirdest place I've ever had sex: In the stairwell of my college library.
Kinkiest experience: One guy wanted me to keep my glasses on while we were fucking so he could come on them. Just thinking about it gets my panties wet. I walk around all day wondering if other guys see me in my glasses and want to come on them.
Anal, yay or nay: I haven't tried it—yet.
To bi or not to bi: Shakespeare! That's cute. I'm bi. Girls are fun—especially in groups.;)
Best way to come: I like to fuck for a long time and work up to an orgasm, but if you're in a hurry, eat my pussy. I'll come in two seconds.
Wildest thing I've ever done: Doing porn. It's still kind of a secret. I mean, my friends know what I do, but most of the people at school have no idea. I guess I don't look like your average porn star!
Ultimate goal: To someday earn a Ph.D. and make guys call me "doctor" when they fuck me. Wouldn't that be hot? ★

a BARELY LEGAL diary

by lilly banks

PHOTOGRAPHY BY STEVEN ANDRES

Hey, BARELY LEGAL! Lilly here—YAY! This is only, like, my favorite magazine ever. So glad to be here, finally!

Life has been super fun since I moved to L.A. I love Detroit, but now that I'm used to the warm weather and beaches and pretty people—OMG! It's just, like, the perfect place for me. There are lots of opportunities for me to model, plus I'm going to school part-time. I have to say, I don't love studying biology, anatomy, chem, etc., but it's all for the good, 'cause I'm gonna be a veterinarian. I love animals. I respect all creatures and believe in peace!

Basically, life is great. I keep busy with work and school. I have my sweet baby doggies, Daisy (golden retriever) and Cali (Chihuahua)—both rescues and the sweetest BFFs anyone could imagine ever. I have a cute little apartment in Santa Monica. I feel blessed.

Anyway, Lindsey told me I should keep a diary for you guys. I think that's awesome. I am a very open, friendly person and love to express myself. So please, enjoy me!

January 27

Ahhh...today is a lazy "me" day. No class till Tuesday, so studying can wait. Curling up with my fur babies, listening to some Kenny Chesney, and killing a bag of Doritos. What could be better? Gonna take the doggies to the park later and enjoy this beautiful weather. Dead of winter and it's sunny and mild. I love this town!

January 28

Back to work! Had a shoot this morning for a foot-fetish photographer. Lots of close-ups of my toesies—wanna kiss 'em? LOL! Now it's time to buckle down and study. :P

* * *

Ugh...my brain hurts. Time for dinner at In-N-Out. Love a big ol' burger, Animal Style. Maybe I'll grab a beer after. (Don't tell about my fake ID!) Have to reward myself for hitting the books, right? Being a good student's gonna make me fat—LOL!

* * *

Well, that was way too much fun (as if there's such a thing). I was only planning on a quick drink after din, but I met a hottie at the bar and we ended up going back to his place. I'm not big into one-night stands, but he was so sweet, and besides, we didn't go all the way.

His name is Luke, and he's in construction, so he has a really hot, strong body. We hit it off 'cause we're both into nature and country music. We kicked back on the couch with a couple of beers and shot the shit. We started ROTFL-ing 'cause somehow I brought up the subject of my favorite secret-shame TV show, *Dance Moms*, and he confessed that he was obsessed with it, too. LOL!!! It is so sexy for a guy to be secure enough to admit to watching a cheesy show like that! Being able to be just, like, friends and feel comfortable with someone is most definitely the sexiest thing.

We started making out. Luke was a great kisser and *so* good with his hands. He slid them up my shirt and under my bra and squeezed my nips just right—hard enough to make me tingle, but not so soft that it felt like a tease. I reached between his legs and squeezed his cock—OMG, it was so hard and big! He pulled off my shirt, rubbed my titties. I unzipped his fly, dipped down between his legs. You guys, seriously. Such an amazing-looking dick! Big but not scary, curved just so, and best of all, THROBBING. I wrapped my hand around the shaft.

"You want me to suck it?" I whispered, stroking gently and licking my lips.

"Are you fuckin' crazy?" he wheezed.

Guess he meant yes. I slid my tongue down his shaft and slurped his balls into my mouth one by one. *Mmm*...he was clean, but just dirty enough that I could taste his man-spice. Love that. Love the smell of a man.

MagDownload.org

MagDownload.org

MagDownload.org

I opened wide and took his entire length into my mouth, sliding it down till it nestled against my tonsils. I massaged the tip with the back of my throat.

"Oh, fuck, that's good," he moaned, pumping his hips and squeezing my tits. I opened my throat wider, slid a little more of his cock in. He panted, pulled my hair. It is so hot to see a guy turned on like that.

"You like that?" I cooed, pulling my mouth off long enough to suck his balls again. I jerked his cock with my hand, twisting and squeezing, but not too hard. I know how to treat a dick—LOL!

"Keep sucking my nuts," Luke said, his fingers twisted into my hair. "Keep pulling my cock. Everything you're doing—don't stop it!"

I pulled him, licked him, sucked him. He thrashed and moaned. FUCK! So hot to make a man that crazy. I could feel his dick tensing in my hand. I knew he was about to come. I plunged my mouth onto his cock 'cause I wanted to catch the jizz. Yes, I love to swallow!

"Omigod omigod omigod YESSS!!"

Luke exploded. He blew a wad so huge, I almost lost my breath. Splooge filled my mouth and shot down my throat. Good thing I like cum so much, 'cause I sure did get a belly-full!

So yeah, now I'm back home after 3 a.m. and I'm like, OMG, get some sleep 'cause you have bio AND anatomy tomorrow. At least I know I'll sleep well. There's nothing like sex to guarantee a good, sweet rest.

January 29

Sooo tiiired. Made it to class and, fuck me, there was a pop quiz in anatomy, but I actually think I did pretty well. Going to reward myself with a banana split. Told you I was gonna get fat. LOL!

February 1

Weekend!!! Actually, I'm so exhausted from my strenuous week of studying, taking tests, and giving a badass BJ that I might just stay in tonight. Think I'll ask my BGF Maya if she wants to come over for pizza and a Channing Tatum movie marathon. Yay!

* * *

Maya's on her way with an extra-large pepperoni. WOOT!

February 2

OMG, Maya and I totally, like, did it last night. I'm open to lesbian activity, but I never imagined I'd do it with my BFF. I mean, Maya is hot. Like, Mila Kunis hot. But I never thought of her that way before. What took me so long? LOL!

WorldMags.net
MagDownload.org

She showed up with the pizza, we grubbed down, watched some Channing Tatum. I don't know, maybe that combo just got us too worked up. Somewhere between squealing about how hot CT is and having a random discussion about the size of our boobs (mine = little, Maya's = big), we started making out.

At first we were just goofing around.

"Show me those things," I said. She pulled up her shirt and flashed me, *Girls Gone Wild*-style. She shook them and was like, "Whooo!" I stopped her when she tried to put them away.

"Hold up. I've got to touch them." I reached out and grabbed one. It felt good. "How are they so big but so perky at the same time?"

Maya shrugged and laughed.

"Lemme see yours," she said. I lifted my top.

"I feel so inadequate," I said.

"Oh, whatever." She pinched my nipples. "They're adorable." She licked one. "Tasty, too. Here. Try mine."

I licked her nip. She tasted like vanilla. I licked the other one. By now I was officially turned-on.

"Maybe you should take off your pants," I said.

Maya wiggled out of her jeans and leaned back on the sofa, spreading her legs. I ran my finger between her puffy pink lips. She shivered and sighed. I spread her lips and flicked my tongue against her clit. She moaned, pushed herself against my mouth. She was so juicy.

"You're really good at that," she said. "Let me do you, too."

We slid onto the floor. She sat on my face and buried her head between my legs, stuffing her tongue in my hole. Her mouth was hot. She sucked my clit. It wasn't going to take me long.

"Fuck, you're gonna make me come," I panted, rocking my hips. I squeezed her tight ass, pushed my tongue as far into her cooch as I could get it. She wrapped her lips around my pussy and sucked it, her tongue lapping my clit. I welled up inside.

"Oh, God. Omigod, *yesss*!"

I came hard in her mouth.

"I'm coming, too," Maya moaned, riding my face. "*Fuuuck yeahhh*!"

She gushed in my face. I was totally glazed. We flopped onto our backs, gasping for breath.

"What was that?" she laughed.

"I don't know," I said. "But I liked it."

Guess Maya and I are officially friends with benefits!

February 3

Sunday! I've decided to start volunteering at the animal shelter, so I'm going down there this afternoon to help walk some doggies and scoop some poop. Hopefully I'll resist the urge to bring any fur babies home. I think Daisy and Cali would get pissed—LOL!

* * *

OMG, met the cutest guy at the shelter today and totally gave him my digits. His name is Ian and he's an adoption coordinator there. A guy who cares for animals is such a turn-on. Doesn't hurt that he looks like a bearded, hippie-ish Bradley Cooper, either. =D Hope he calls soon!

February 4

It's on! Ian and I both have Wednesday off, so we're going hiking. Can't wait!

February 6

Best. Date. EVER!

WorldMags.net
MagDownload.org

We met at Griffith Park and took the Bronson Canyon trail. So cool to be in the middle of L.A. and feel like you're on another planet. Ian and I totally hit it off. He's so chill and has a great sense of humor. A guy who can make me laugh most definitely has a shot at getting into my pants. And that's exactly what he did! It's really not my thing to have sex on the first date, but…

We hiked through the Bronson Cave. Ian laid out a mini-picnic: ham-and-cheese sandwiches and a couple of beers. How cute is that? We stopped at the end of the trail and ate, talked about our lives, drank our beers. He got all sweet.

"You're so cute," he said. "So down-to-earth. Can I kiss you?"

Is that adorable or what?

"Sure," I grinned. "Yes!"

We kissed. His beard tickled my chin.

"I like you," he said.

"I like you, too."

The kissing got intense. I flicked my tongue inside his mouth. He ran his hands up and down my back, circled my waist. I wrapped my fingers in his hair. His hair's kinda long. I like that. He slipped his hand under my shirt.

"Can I?" he said.

"Yes."

He slid his hand under my bra. My nips were like, *boing*! My hand drifted up his thigh and onto his crotch. He had a rager.

"I wanna touch it," I said.

Ian moaned and stretched out on his back. I unzipped his pants. He had a big, beautiful dick. My mouth was watering. I wrapped my lips around it and sucked.

"*Awww* fuck," he said.

His cock felt *so good* in my mouth, but I wanted to ride it. I didn't care that I hardly knew him. I pulled off my clothes. If any hikers came along, they were gonna be in for a show!

I straddled Ian. I grabbed his dick and slapped it against my pussy. I rubbed the head against my wet hole. I was throbbing. I stuck it in. We both moaned.

"*Auughhh…*"

There is nothing like that feeling of a hard cock when it first goes in. So satisfying.

"Oh, yeah," I sighed, bouncing up and down on Ian's dick. He squeezed my ass and tickled my butthole with his finger. I love that.

"Fuck, it's so good," he said. "So tight."

I rode harder, gripping his shoulders and pushing his cock deep into me. He raked his fingers up my back, pulled my hair.

"You're too much," he gasped. "I'm gonna come too quick."

"I wanna make you come," I said. "Do it." I love to make a man crazy like that.

"Oh, fuck," he wheezed, squeezing my tits. He was deep in, pumping hard. I could feel his cock swell up right before he busted.

"Fuck fuck fuck *yeahhh*!!!"

I hopped off just in time for him to blow a load all over my stomach. It was hot and slippery. I rubbed it in to my skin.

"*Mmm*," I said.

We looked at each other and laughed. Like, happy. Like, this is the best.

I'm surprised we had the strength to make it out of the canyon. That was some goodness.

February 7

Can't stop thinking about Ian. But I'm not ready to be in love. I would like to keep fucking, though. On the reg. Sometimes that's better than love! ★

CATIE MINX

bad kitty

Hey, it's Lindsey. Our November 2012 Teen Queen of the Month is back and cuter than ever!

Welcome back, Catie! You're such a good girl, eating a nice, healthy bowl of cereal for breakfast.
Yeah, healthy. The first ingredient is sugar!
But you *mostly* eat healthy, right?
Well, I love sushi, but I also love burritos, nachos, pizza, cheeseburgers, and IHOP.
Then how do you stay so thin?
Sexercise!
Do you do a lot of sexercise?
Whenever there's a boy handy. Lately there haven't been any. :(The other night I was so desperate, I used a bottle on myself!
Don't you own tons of vibrators?
Yes, but I was out of batteries.
What you really need is a dildo.
Yes! A pretty glass one! It *is* my birthday this month, hint hint.
How are your kitties?
Leia, Luke, and Mara are all fine and driving me crazy with their cuteness. I could just watch them sleep all day.
How is college going?
Pretty good, but finals are really stressing me out. I need sex!
When's the last time you got some?
Can't remember *when*, but it was awesome. First he let me watch him jerk his hard cock, which makes me wetter than anything. Then he did me from behind…
***Ooh*, I love doggy-style!**
…*kitty*-style while he fingered my butthole and talked super dirty.
What kind of dirty talk?
You know—calling me a bad girl and a nympho and a little sex addict. All true!
What's next for you?
Graduation in a couple of years, and lots more modeling. I love thinking about guys getting hard looking at my naked body. I mean, I *hope* they are.
Let's find out. Guys? ★

PHOTOGRAPHY BY CLASSY CONTENT

MagDownload.org

Howdy! Stacy the intern here. High school senior Leona doesn't know what she's doing in BARELY LEGAL. *We* do!

Hey, Leona! Why are you so surprised that we asked you to pose?
Because I'm just, like, a regular girl. I'm not cute enough to be in a *magazine*.
I strongly advise you to look in a mirror!
Anyway, I'm just glad you didn't make me wax down there.
Why would we do that?
Well, my friend Jessa says you're not a real woman until you get your cooch waxed. But I think it's the opposite! I *finally* feel like a woman.
What do you do in your free time?
I don't have a lot of free time. I practice the violin for hours after school.
Sounds like a drag.
No, I love the violin. But I wish I had time for a boyfriend. Sex is so fun.
Do you masturbate a lot?
I masturbate every night when I go to bed 'cause it puts me right out. Sometimes I wake up with my vibrator still in my hand!
Do you have sex dreams?
I have *crazy* sex dreams. I have to wear panties *and* PJ bottoms to bed, or my sheets would be really gross in the morning.
What happens in these dreams?
A lot of different things, but there's usually two guys.
Have you had a threesome in real life?
No. :(I've barely done anything!
Have you ever given a BJ?
I've given *lots* of BJs. They're quick.
Is that a good thing?
Yes, when you never have time for actual sex!
Do you swallow?
Always. I *love* cum. Oh! I just remembered one of my dreams, with the two guys. They both come on me at the same time, and it just keeps shooting out and shooting out until I'm completely covered in jizz—my face, my boobs, my tummy. Do you think that could ever happen in real life?
I think *you* could make that happen. What are your plans for after graduation?
To be a concert violinist—which means I'll *never* have time for sex. I'm going to be doing a lot of dreaming! ★

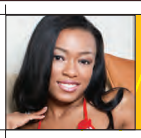
BARELY LEGAL BOX OFFICE



We girls at BARELY LEGAL think the best person to judge the realness and hotness of a legal-teen video is a real, hot legal teen. Here to review our latest release is this month's guest critic, Tila.

No bikini can hold Leilani's puffies.

Of course Ashley picks the bossiest position!

LAME, BUT BETTER THAN DOING HOMEWORK. ★

DECENT, BUT FORGETTABLE, LIKE DRUNKEN MACKING WITH A CUTE STRANGER. ★★

GOOD ENOUGH TO COME WITH THE HELP OF A FINGER. ★★★

THE BARELY LEGAL BOMB! ★★★★

BARELY LEGAL #131

★★★★

HUSTLER Video. Director: Otto Bauer. Starring: Ashley Stone, Monica Rise, Abby Cross, Veronica Rodriguez, Leilani Leeane, Alec Knight, Will Powers, Billy Glide, Eric Swiss, and Otto Bauer.

Sometimes pornos have such crazy themes, you don't know *what* the moviemakers were smoking. The theme of *this* film? Bikinis! Every girl in it wears a hot bikini that she then strips out of. It's the best theme ever! Another big plus: Most of the tops cover delicious puffy nips. The puffiest pair belongs to Leilani Leeane, and they look extra yummy covered in spit and bouncing up and down as Leilani swirls her rubber hips around Otto Bauer's boner. Ashley Stone has pretty pink-meringue-topped titties and a bossy personality. She orders Alec Knight to take off his shirt, and he gets even by literally fucking her dizzy—when she gets up to switch from mish to doggy, she goes "Whoa" and almost keels over! Monica Rise is the whole package: sweet puffy nips PLUS soft curves, reddish hair, an adorable gap in her teeth, and peach fuzz on her pussy. Unfortunately, she doesn't seem that into…anything. When she rubs her spit on Will Powers's cock, she looks like she's staining a piece of furniture. Then when Will accidentally (?) comes in her eyes—well, if she could have opened them all the way, looks would have killed. Abby Cross is the exact opposite. First, she has inverted nipples (I'd love to stick my tongue in those!), and second, she can't stop sucking Billy Glide's dick. Every single time they change position, she first has to shove his peen back in her mouth. Fucking gives her an appetite! But the number-one cutest girl in this movie is Veronica Rodriguez. She is *so* tiny and precious. When Eric Swiss stretches her pussy open with his fingers one whole centimeter, she squeals, "It's too tight!" Eric then fucks her butthole with his thumb (not his dick, thank God!), and she reaches back to stop him, but stops herself halfway and takes the mini-butt-fuck full blast. *So* brave. You could actually die from Veronica's cuteness, especially when she pronounces "Shit!" as "Sit!" in her little accent. In or out of bikinis, all of these girls are hot—but I definitely prefer out!

Abby's hungry again.

PHOTOGRAPHY BY STUDIO X PHOTOS

Hey, there! It's Stacy the intern. Porn starlet and self-proclaimed "naughty girl" Samm Rosee is ready to take you all Down Under!

So, Samm, what makes you a naughty girl?
I'm glad you asked that, because I love talking about my naughty side! Basically, I'm down to do or try any sexual act with any girl or guy anytime, anyplace.

Sounds like you're a lot of fun to hang around with.
That's what I've been told. LOL!

If you had a choice, which would you rather do on a daily basis: suck dick or eat pussy?
Hmm... That's a hard question. If I HAD to choose, I think it would be eating pussy.

I love that answer! Is there any particular reason why?
Because I totally enjoy the taste of a juicy pussy!

Do you enjoy the taste of jizz?
Of course! Don't get me wrong—I *love* guys.

What do you look for in a guy?
I like a guy who makes me beg for more of his hard dick. I can suck and fuck all day and night.

How do you keep going that long?
Cum is my energy drink!

What do you think is your best physical feature?
My tits for sure! I think my tits are bangin'. I love looking at them and stripping down any chance I get. I actually just did that a few weeks ago while on vacation with one of my girlfriends.

Where were you guys?
Bali. We decided to take a walk through this magical-looking forest near our hotel, and before we knew it we were both naked and finger-banging each other. It was amazing. There was a waterfall right in front of us with people all around. Classic!

That sounds awesome! Speaking of vacations, I've always wanted to take a trip to Australia. The beaches look so incredible.
Our beaches are the *best*, especially in Melbourne.

Do you hang out at the beach often?
Yes, whenever I can. I can't get enough sun. I'm always tanning and playing in the ocean—usually topless. ;)

I need to take a trip there ASAP!
Come on down! You're welcome to crash at my place anytime. ★
